I understand my Healthy Spa service does not include any repair or maintenance of any spa parts, plumbing, controls, or other service that would normally be covered by manufacturer's warranty or performed by a certified spa technician. Water care products are not included in the pricing*. I agree to have water care products delivered to my home when my Healthy Spa is performed and billed to the credit card on file at the current prices. Mister Spas will bill Healthy Spa fees to the credit card I leave on file. The package rates for each service above includes free services for a pre-paid contract. Should I choose to cancel this agreement, I understand that I will be charged for any additional service fees (ex: drain, clean, & fill fees) that have been performed.

After we receive the contract someone will contact you to secure payment & schedule your first appointment.
